

# Volume Summary

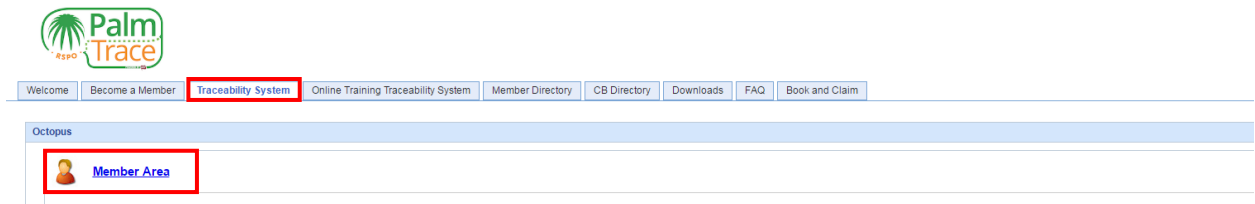

## For PalmTrace members

Now you can see in PalmTrace a Summary of the volume you have purchased/sold in a selected date.  
Please follow the next steps:

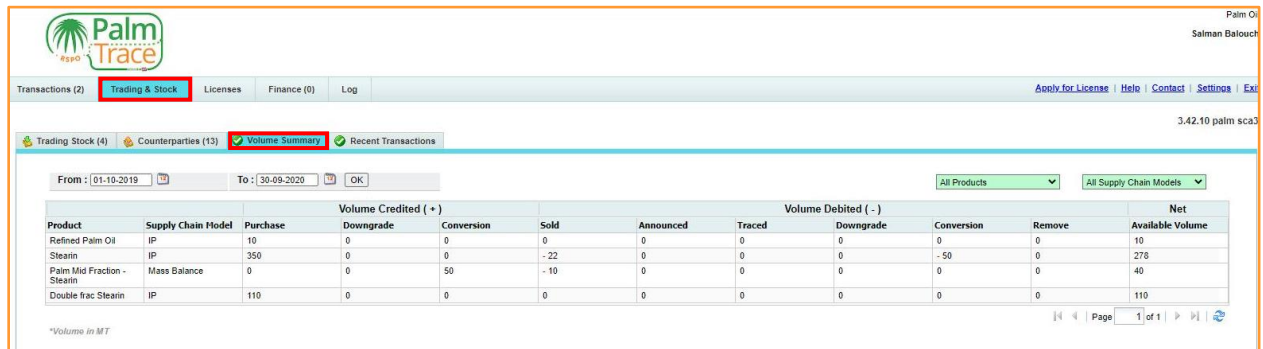

### 1. Log in

Enter the Member Area in your RSPO PalmTrace account.

### 2. Access to Trading and Stock tab

Click on “Trading and Stock” tab and then “Volume Summary”.

In this tab you will find an overview about the volume with which you have traded in a period.

The information available for each product will be:

- How much you purchased
- How much you downgraded
- How much you sold
- How much you converted
