

# Supply Chain Certification Training

## Liverpool, UK – 22-24 May 2018

Book now for Proforest's first Supply Chain Certification (SCC) course to take place in Europe.

---

The RSPO SCC standard sets out the requirements for companies buying, selling or processing RSPO certified palm oil products to demonstrate the traceability and credibility of their supply chain.

Proforest's RSPO-endorsed SCC training course provides a practical and in-depth introduction to the SCC standard. It is suitable for auditors and processing and manufacturing company staff alike.

Taking place in May 2018, highlights of this three-day course include:

- **Practical mock-audit exercise** conducted in an oil palm refinery, where participants get vital hands-on experience supported by qualified lead auditors.
- A rigorous introduction to the RSPO SCC standard, focusing on its practical application to ensure consistent and appropriate audit decision making.
- Online training module to support classroom learning.
- Convenient location for companies based in Europe, UK and the Republic of Ireland.

Standard course fee: £790

Book by 28 February 2018 to pay the early bird fee of £720

Block book three or more places to receive a 10% discount per place.

Spaces are limited to 20 participants so book soon to avoid disappointment.

To find out more and register your interest for this course, visit our training page at: [www.proforest.net/scc](http://www.proforest.net/scc)

---
